
How to Add a license to a MSO

Requirements

MorphoManager install Morpho License Manager as part of the package

If not using Morphomanager

Download Morpho License Manager and install

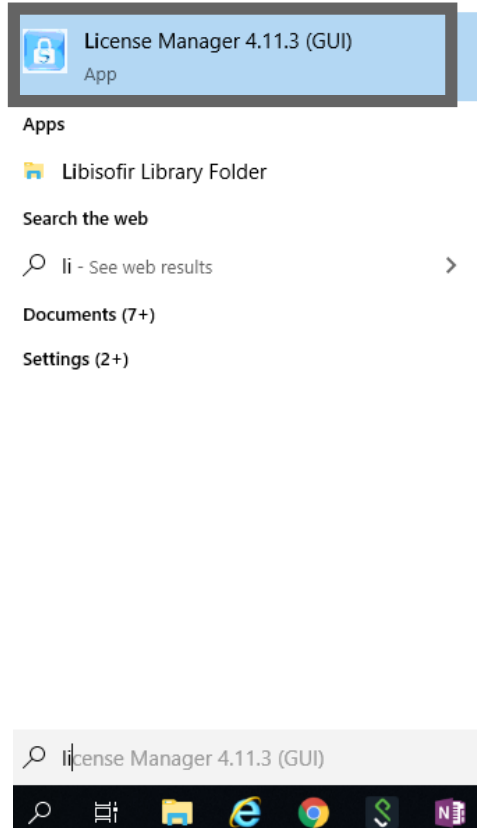

https://service.morphotrak.com/content/software/License%20Manager/Morpho_License_Manager_4_11_3.zip

MorphoWave™ Compact

April 2018

Open up Morpho License Manager

Plug in MSO to PC

Morpho License Manager - service version: v. 4.11.3 - standalone delivery

Installed License

VERIF;IDENT;WSQ;M2A_10;M2A_TA;MACI

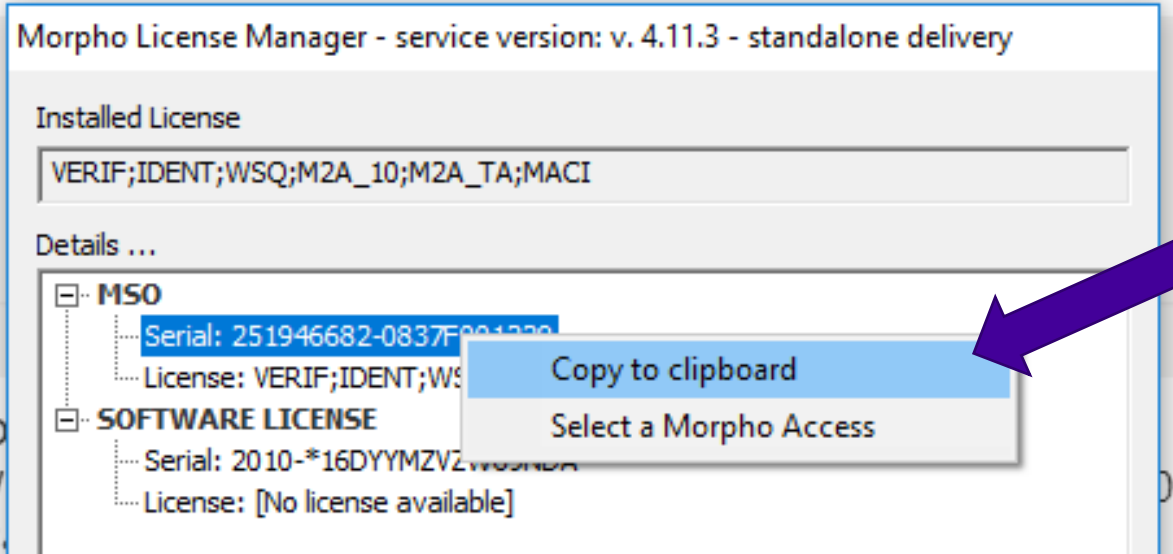

Details ...

- [-] **MSO**
 - Serial: 251946682-0837F001229
 - License: VERIF;IDENT;WSQ;M2A_10;M2A_TA;MACI
- [-] **SOFTWARE LICENSE**
 - Serial: 2010-*16DYVMZVZW69NDA
 - License: [No license available]

Close Add License

Highlight
MSO>Serial
number

Right Click on the MSO> Serial number and copy to Clipboard

Save it to Notepad and email to support

Once Idemia receives the MSO serial number we will generate the license and email it back to you. Save the License on your PC or Flash drive.

Morpho License Manager - service version: v. 4.11.3 - standalone delivery

Installed License

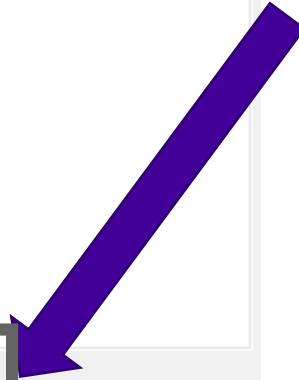

VERIF;IDENT;WSQ;M2A_10;M2A_TA;MACI

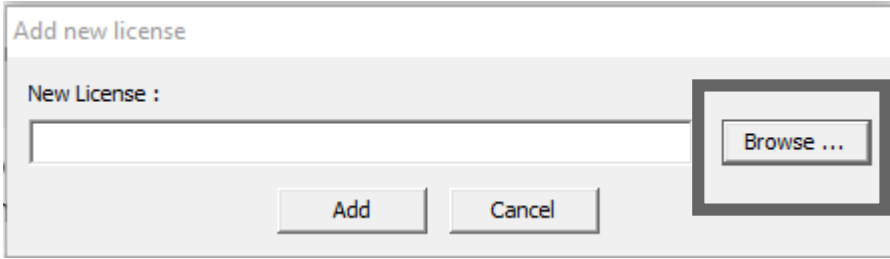

Details ...

- MSO
 - Serial: 251946682-0837F001229
 - License: VERIF;IDENT;WSQ;M2A_10;M2A_TA;MACI
